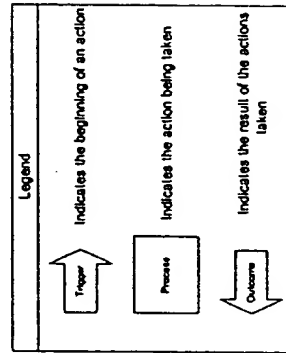

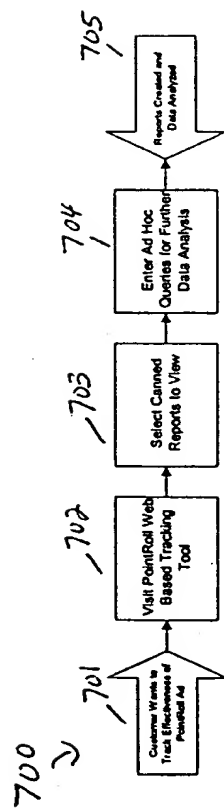

FIG. 7

The diagram illustrates a 3x5 grid layout. The top row consists of three large rectangular banners labeled "BANNER 1", "BANNER 2", and "BANNER 3". The bottom two rows consist of ten smaller rectangular panels labeled "PANEL A" through "PANEL J". The panels are arranged in two columns of five, with "PANEL A" and "PANEL F" on the left, and "PANEL J" and "PANEL E" on the right.
